TITLE:-Driving Transformation in Education: Revolutionizing the field of Research through a consolidated endeavor comprising Engineering & Medical Science

22nd of December 2017 witnessed the International Conference on Computer, Electrical and Communication Engineering(ICCECE) which was conducted by Techno India University, WB. Being the first of its kind in West Bengal, this event was graced by eminent personalities belonging to 5 IITs and ISI seated in a row. ICCECE 2017 spectated keynote speeches delivered by elite professors namely Prof. Veerachary(IIT Delhi), Prof. Supratim Biswas (IIT Bombay), Prof. R. K. Ghosh(IIT Kanpur), Prof. Anupam Basu(IIT Kharagpur), Prof. Sutanu Chakraborti(IIT Madras), Prof. B. B. Chaudhuri & Prof. C. A. Murthy(ISI Kolkata). Doctors and Medical researchers belonging to elite Medical Colleges and Hospitals of West Bengal were also present on this very event.

Amidst a multitude of research publications submitted for this prestigious conference, a scrupulous appraisal by senior professors and research scholars belonging to TIU WB ensured the selection of innovative research methodologies. The selected research publications have been uploaded in the IEEE Digital Library which in itself, speaks volumes about the quality of research work TIU WB aspires to reach.

Pioneers in the fields of Engineering & Technology, Medical Science and School education were present on this auspicious event. Prof. B. B. Chaudhuri (Professor,ISI Kolkata & IEEE Fellow), Dr. Sukumar Mukherjee(Professor,Calcutta Medical Hospital) and Mrs. D. Kar(Director,Modern High School) were felicitated on account of their phenomenal contributions in their respective fields.

In the age of "technology" that we presently reside in, revolutionizing advancements such as Virtual Reality, Artificial Reality, Drone technology and utilization of Insect Protein has brought on a renaissance in the field of Research. Announcing such a one-of-a-kind initiative integrating Engineering & Medical Science, Prof. Gautam Roy Chowdhury,honourable Chairman of Techno India Group, triumphed in sowing the seeds of a noble initiative which will attempt to eradicate poverty from the face of the Earth. Utilizing the technical knowledge from engineers along with the research insight from doctors, Prof. Roy Chowdhury proclaimed a new horizon in the field of research & technology - enrichment of medical equipments aiming to build a better and ailment free nation. To better illustrate the vision that the Chairman of TIG had in mind, a concise presentation interspersed with demo videos capturing the apt concoction of Virtual Reality and Artificial Intelligence with Microbiology and Biotechnology arrested the attention of everyone present at the Conference.

ICCECE 2017 is just one of the multitudinous endeavors by Techno India University, West Bengal on its path to excellence. The conference session held on 22nd December, 2017 bore testimony to a refined and enriching day in the presence of elite personalities belonging to the field of Academics and Research. We are eagerly awaiting ICCECE 2019 which is going to be held on 18th and 19th January,2019 and look forward to a grand success in the upcoming year as well which will sow the seeds of innovation and development.
